

## MEDIA RELEASE

### **Our Heroes' Stories, Father's Day Edition**

*Meet Warrant Officer II (R) Mohd Shukri, a Commando Veteran cum former LTAT Contributor and his daughter, an employee of LTAT*

**KUALA LUMPUR, 16 JUNE 2024** – In conjunction with Father's Day, Lembaga Tabung Angkatan Tentera ("LTAT") is proud to present 'Our Heroes' Stories', an initiative under the "For our Heroes" campaign. This effort aims to honour the dedication and sacrifices of fathers, particularly those who are in the Malaysian Armed Forces ("MAF").

In this edition of the 'Our Heroes' Stories' series, we shine a spotlight on Mahfuzah, an exceptional employee of LTAT, whose father served proudly as a member of the MAF's Commando force. Warrant Officer II (R) Mohd Shukri bin Abdullah has seamlessly transitioned into a thriving entrepreneur, crediting his achievements to his earlier involvement with LTAT as a contributor. LTAT takes pride in being an integral part of the lives of its contributors and their families, like Mahfuzah, bridging her father's legacy with future aspirations.

Reflecting on these stories, Ashraf Radzi, LTAT's Chief Executive, emphasised, "LTAT's commitment to MAF personnel goes beyond providing social protection. We honour their sacrifices and life stories. Behind their strength, perseverance, and loyalty to the nation, our heroes also have their lives with families that are filled with love and responsibility. Our heroes' sacrifices should be celebrated, shared and remembered by Malaysians."

"These stories are not just ordinary tales but tributes to our national heroes, ensuring their legacy endures for future generations," he added.

LTAT is dedicated to its mandate of ensuring the retirement savings of ATM personnel continue to grow sustainably, allowing them to lead comfortable lives with their families after retiring from service. LTAT also offers various additional benefits to contributors and their families, providing comprehensive social protection, including educational support for contributors and their children, second career opportunities, cost of living reductions, as well as welfare and financial assistance in need to ATM personnel, their children, and veterans.
